the sacred project of american sociology shows counter intuitively that the secular enterprise that everyday sociology appears to be pursuing is actually not what is really going on at sociology s deepest level sociology today is in fact animated by sacred impulses driven by sacred commitments and serves a sacred project this book re asserts a vision for what sociology is most important for in contrast with its current commitments and calls sociologists back to a more honest fair and healthy vision of its purpose

since the end of world war ii social science research has become increasingly quantitative in nature a case for the case study provides a rationale for an alternative to quantitative research the close investigation of single instances of social phenomena the first section of the book contains an overview of the central methodological issues involved in the use of the case study method then well known scholars describe how they undertook case study research in order to understand changes in church involvement city life gender roles white collar crimes family structure homelessness and other types of social experience each contributor confronts several key questions what does the case study tell us that other approaches cannot to what extent can one generalize from the study of a single case or of a highly limited set of cases does case study work provide the basis for postulating broad principles of social structure and behavior the answers vary but the consensus is that the opportunity to examine certain kinds of social phenomena in depth enables social scientists to advance greatly our empirical understanding of social life the contributors are leon anderson howard m bahr theodore caplow joe r feagin gilbert geis gerald handel anthony m orum andree f sjoberg gideon sjoberg david a snow ted r vaughan r stephen warner christine l williams and norma williams

how is the simpsons a satirical artwork engaged with important social political and cultural issues in time for the twenty fifth anniversary henry offers the first comprehensive understanding of the show as a satire and explores the ways in which the simpsons participates in the so called culture war debates taking place in american society
